- The teacher **must** verify all exemptions.
- ALL STUDENTS MUST attend the 8:25 AM and 10:25 AM finals each day, even if exempting that final.
- If a student exempts any final other than the 8:25 AM or 10:25 AM final, he/she does not report to that final exam.
- Exam Exemption Cards will be available during all four lunches on December 10th - 12th. Please begin to take care of your outstanding debts, fines, textbooks, and other items so that you can be cleared.
- If you are planning to be absent during your Semester Exams for any reason, there is 1 yellow form that needs to be completed and returned by December 3rd, so that those absences can be documented and rescheduling arrangements can be made. This form is available for pick-up before and after school from the AP office. Once this form has been turned in, you will be given an application (blue paper) to reschedule your exams. This application must be signed by each individual teacher. This form will be due back to your AP on December 6th.
- The cafeteria will serve lunch during the first 30 minutes of Open Campus Lunch if students remain on campus to eat.
